12 Uniquely Gluttonous Ways to Enjoy French Fries

© Madison Freedle

French fries served with asparagus, lump crab and béarnaise. This decadent dish is The [Barrymore's](#) upscale take on poutine and is only available to those who know to ask for it. "Poutine to me is probably the most perfect French fry dish there is. A perfect combo of crispy fries with 'squeaky' cheddar cheese curds, and gravy. What makes poutine so amazing is all of the different textures in one bowl, it's like having French fries and mashed potato and gravy all at the same time!" says Executive Chef Anthony Meidenbauer.
