## POUTINE IS ALL OVER TOWN, AND THAT'S A GRAVY GOOD THING

If there's a truly Vegas'd-out poutine, it's gotta be the one at **the Barrymore** (*Royal Resort, 702-407-5303*).

Somewhere between ideal steakhouse side dish and old-school Vegas kitsch, the poutine "Oscar-style" (\$22) tops the taters with lump crab meat, asparagus and

béarnaise. Maybe it breaks the rules by subbing out the gravy, but how do you not order this?
